

Press Release. no. 40 Popular Resistance Front Against the Coup d'etat

WE DENOUNCE THE FAILURE OF THE ELECTORAL FARCE

With complete satisfaction we announce to the Honduran People and the international community that the electoral farce posted by the dictatorship regime has been absolutely defeated due to the minimal affluence of electors to the poll sites, to the extreme that Tribunal Supremo Electoral had to prorogate another hour the poll until 5 p.m.

If its at sight you don't need glasses (an Spanish say). Nation wide monitoring of our organization proves that the level of abstention during the process is at least of 60 to 75% percent. Which is the higher in our national history, and implies that only a maximum of 30 or 35% of electros voted? This is the way of Honduran people to punish the pro-coup candidates and the dictatorship regime, whom now are troubled to show to the international public opinion a level of voters that never existed. We denounce that for that they have resorted to fraudulent maneuvers like the entrance of Salvadorans, compatible of the Party ARENA, brought to vote to our country, as it was denounced by the farmers in the municipality of Magdalena, Intibucá. And we must hope that they try to increase the electoral volume by means of the electronic manipulation. The desperation of the regime de facto is like has brutally repressed the pacific manifestation that was realized in the city of San Pedro Sula, in which were several hurt, struck and stopped companions; and a missing person reports itself.

Between the wounded one inquires into a REUTER reporter and the halting of two monks of the Latin American Council of Churches is reported they made work of observation in human rights.

Considering that this result represents a great victory of the Honduran people, the national Front of Resistance invites all the Honduran people in resistance to celebrate the defeat of the dictatorship.

Monday 30 of November from the 12 of means is summoned in Tegucigalpa to a Great Assembly at some future date in at STYBIS and to the great Caravan of the Victory against the Electoral Farce from the 3 p.m. leaving Cipango Planet
